Covid 19 Virus Response

www.westonunitedmethodist.org

Greetings, brothers and sisters of the Weston United Methodist Church family.

In this time of continued uncertainty, with the COVID-19 pandemic continuing to infect people statewide, **we have decided that the Weston United Methodist Church will continue to worship and meet virtually at least through July.**

Meetings will continue to be held via Zoom, allowing committee and church members to connect to meetings online from home. Our regular worship will continue to be available on our Facebook page and our YouTube channel **on Sundays at 10:30 AM.**

Pastor Alicia is always available via her cell phone 774-222-8185.

To quote from our neighboring Congregational Church of Weston, "*In essence we are declaring "snow days" without the snow.*" Even if this community participation in "social distancing" keeps the virus from spreading deeper and further at this time, community health experts state that being vaccinated is the best protection against the virus.

We will keep monitoring the situation, and will do our best to keep you informed.

Our shared sense of Community is a defining attribute of the Weston United Methodist Church. **Please be in contact with one another via phone, Zoom, FaceTime, text messaging or email during this time when physical contact is limited.** Avoid becoming isolated, and think of those who are most likely to experience loneliness and reach out.

If you-or someone you know-is struggling with feelings of isolation or hopelessness, be sure to reach out to Pastor Alicia or a member of our church's leadership team. A pastoral visit will be scheduled to check in. Remember: the body of Christ is healthiest when we care for each part with compassion and love."

God bless you all.

PS: Please be aware that church expenses continue even if we are not able to gather on Sunday mornings. If it is at all possible for us to continue to make our usual contributions that would be most appreciated by the Finance Committee. Online contributions can be made on the website,
